AutoStone Floor Systems for your showroom:

Solids 4 Series
Color: Negro

24" x 24"
Natural Finish Surface

Setting materials can be supplied by AutoStone Floor Systems or from you local tile contractor. AutoStone is a proud partner of Mapei products and their premium line: North American Adhesives. See 25-Year Mapei Material warranty.

The minimal specifications are:

Thinset: North American Adhesives **NA3800 MagnaFlex** (for large format tile).

Grout: North American Adhesives **NA4800 Ever Color MPG # 536 Smoky Coal**. Also: Laticrete Perma Color, #45 Raven.

Crack Isolation Membrane: North American Adhesives **NA1640 Crack Isolator**.

Ask for your AutoStone setting materials quote with your tile quote and get the Mapei 25-Year Setting Materials Warranty (see warranty for details and specifics). Warranty is supported exclusively through Mapei Corporation.

Freight: Please note that freight is an additional cost if purchased under AutoStone Direct. You will receive a quote when requested. Please provide dealership name, address and confirm you have either dock-height facility or fork-lift on-site. If you have neither, you will be charged for lift-gate and fork-lift to un-load your materials. AutoStone has multiple warehouses in the US.

Warranty: Please note that your tile contractor must provide their own warranty to your BMW Motorrad dealership. AutoStone does not extend a breakage/replacement warranty to 3rd party installation companies. Tile must be checked prior to installation, once modified or installed, no warranty is provided. Please contact AutoStone to receive your quote, call today! 214-393-4875.
