### **AutoStone CT-1 (Subaru Showroom) Tiles Reduce Stains & Clean Easier**

The brightfinish surface aids them in their cleaning practices and enhances your showroom appearance. AutoStone tile is much easier to clean for Subaru dealers. AutoStone brightfinish eliminates\* concerns with your tile showing haze, dirt, grime, etc., (\*with proper cleaning practices). Tiles with brightfinish do not easily stain, especially with tire-bright, or similar tire dressing materials. The result? Better appearing Subaru stores, happier dealers!

### **AutoStone CT-1 (Subaru Showroom) Tiles Reduce STF (Slip, Trip, Fall) Risk**

The DCOF (dynamic coefficient of friction) rating for this tile increases with this finish. Our brightfinish embeds micro-granule traction elements which increase the slip-resistance. The result: Subaru stores with floors that reduce STF risk in showrooms. Dealers, employees and customers benefit!
